## *Foreword*

---

We, the Innitou Staff, having put many hours of thought and labor into this book trust that those who read it, will thoroughly enjoy it.

# *Dedication*

To Our Principal  
**OREL M. BEAN**

The Class of Nineteen Hundred Forty Eight is proud and happy to dedicate its volume of "The Innitou" to a principal who has been a friend to one and all; to him who has been to us, kind, gracious, patient, and understanding; to him who freely and cheerfully urged us on in our endeavor to better ourselves and our school.

# Principal's Message

The completion of your high school course should be a matter of pride and satisfaction to you and to your parents. Your Principal and Teachers rejoice with you and extend their sincere congratulations as you graduate and receive your diplomas. That you will carry on your education is a consummation devoutly to be wished. It is our earnest hope that you will recognize that education is indispensable for those of you who have the ability and the desire to improve yourselves and your opportunity for service.

You have the courage, the imagination, and the energy of youth, and in one of the most interesting and opportune periods in history, you should view the years ahead with optimism. Furthermore, you have the assurance that in this country of ours genuine endeavor will receive a compensating reward. You will do well to remember that it is character which will determine the extent of your individual attainment.

It has been a pleasure for us to help you and we look forward to any further service we may render. We hope you yourselves will find the joy of achievement worth working hard to attain.

We wish you Godspeed and many happy years ahead.

Orel M. Bean

## J. FRANK HASSETT

Your Superintendent congratulates you on completion of your high school education. In later life when you recall these past few years at Woburn High, you will agree that they were the happiest days of your life.

You are now prepared to go forward to the second part of your preparation for your place in society.

Shall the second step be to further your education or to enter immediately the field of employment? Your decision must indeed be a wise one and made only after deliberation and careful consideration of your natural interests and special aptitudes. A hasty decision at this time may impair and retard your progress on the path to a successful vocation and lasting happiness.

In closing this brief message may I assure you that I shall always be happy to be of assistance to you, and should you ever find need of my help or advice in later years, please feel free to call upon me.

J. Frank Hassett  
Superintendent of Schools

# In Memoriam

SHIRLEY ANN FOSTER

The sun rising with the early dawn  
Brings light and dewy freshness to the earth.  
Its rays linger briefly and then are gone  
Into the elements which gave them birth,  
Leaving to mortals but remembrance sweet  
Of laughing love with joy complete.

## *Class Poem*

### OUR GOODLY HERITAGE

They filled their sails and braved the massive foam.  
To cross the heaving waves. With courage true  
The Pilgrims left their sheltered land to roam  
And settled in the wilderness anew.

No hardship was too perilous to face;  
They battled daily in their fight for life,  
Through unseen dangers in an unknown place,  
To gain their heritage amid the strife.

Their children, we in turn have sought the deep.  
The waves of trouble lash against the bow.  
If we in strength our heritage may keep,  
We'll set our sails and through the billows plow

We have a course to take, a goal to reach.  
Our God above will guide us in our quest  
The tides of life move swiftly, driving each.  
Now we have launched; where will our anchor rest?

Judith Pearl Bemis

## *Class Song*

to the tune of "Aloha"

We have gathered here to say good-by,  
For now we are to graduate.  
Our old friends, we hate to leave you now;  
But our good times we often will relate.

### CHORUS

Farewell, dear school,  
A sad farewell —  
We'll ne'er forget thee, dear old Woburn High.  
The time flies by,  
And we must leave. So now we say good-by.  
All our teachers have been very kind  
Although we've erred along the way;  
For the help they gave to guide us through  
We are grateful to them this parting day

John Francis Grimes bequeathes smiles to the '49 girls.

The Glee Club, under the direction of Mr. Edson Kimball, is known for its harmonious presentations of fine selections at our assemblies and at our Public Library.

The Orchestra consists of a group of W. H. S.'s most talented musicians who have skillfully given us many fine musicales. This group, also conducted by Mr. Kimball, is remembered for its assistance in the school play, "Seven Chances."

The Band has been a valuable asset to our school and has added prestige to our victorious football games. The Band, directed by Mr. Kimball, is an outstanding example of school loyalty.

Fourth row: Anthony Sgrulloni, John Haley, Joan Fields, Patricia Knowles, Betty Edge, Josephine Shelzi.

The newly organized French Club, under Miss Catherine Burke's guidance, meets once a month. The purpose of the Club is to acquire a better knowledge of France, her customs, and people, and to create a friendly feeling between the French students and our students. Because of this, many of our members have friends either in France or her provinces with whom they correspond regularly. We have already had some moving pictures of Paris and the Sunny South of France. Miss Angeline Heartz, at our December meeting spoke to us about the French customs, and at our joint meeting with Winchester, Mrs. John Gillis spoke to us on the French educational system. We hope that by the end of the year our members will have a very good conception of what life in France is like.

The officers of the French Club for the years 1947-1948 are as follows: President, Dana Brown, Vice President, William Weafer, Secretary, Patricia Danforth, and Treasurer, Clayton Lacy.

## *Drama Club*

Our Drama Club, an enthusiastic group of seniors, juniors, and sophomores, spent a year working on skits, public speaking, and monologues.

An excellent performance of the play, "Almost Seventeen", was presented to the student body in March. The cast, consisting of Clayton Lacy, Lorraine Whittemore, Anita Kendrick, Joseph McDonough, and the directors Margaret McCafferty, Madeline Coccoluto, and Winona Baird deserve much credit for their devoted time in this work.

We sincerely appreciate the advice and time given to our club by our gracious adviser, Miss Hazel Percy.

## *Student Council*

On April 10, 1948, the Woburn Senior Student Council was host to the Annual Convention of the Student Council Association of Massachusetts, which was a distinct honor to our school.

The Senior High owes a debt of gratitude to the boys who so faithfully performed their duty as traffic officers and fire guards during the entire year. Under their direction, order and efficiency in and about the building was kept.

The Athletic Association aroused school spirit and enthusiasm in the various sports during the year, and helped to raise funds by sponsoring dances.

## *Cross Country*

First row, left to right: Donald McKinnon, Harold Woods, Robert Fowle, Robert Cannon, Richard Fowle, Robert Gordon, Roy Craft.

Second row: John McGovern, William Foster, James Hession, Tucker Lawrence, Angelo Koniares, Clayton Lacey, John Koniares.

The Cross Country and Track Teams, both captained by "Bob" Cannon, achieved an outstanding record this year. The program of activities was a full one and much of the credit for success goes to our coach, Mr. McGovern, whose untiring efforts were fully appreciated by the teams.

Richard and Robert Fowle, co-captains elect of the team, along with Robert Cannon, entered the New England Cross Country Run. Cannon captured third place and the twins took twelfth and thirteenth places. Woburn was the only school in the state to have three men running in the meet.

The baseball team, although faced with keen competition, reports a successful term. Results of hard work and constant effort were shown in every game and the team, under the direction of its coach, Mr. McDonough, and its captain, "Gus" Borgeson, has maintained high standards of ball playing.

## *Girls' Basketball*

Our Girls' Basketball Team, under the capable supervision of Miss Ann Higgins, played a full season this year and although it lost some of its games, good spirit and sportsmanship was shown at all times.

The team played eight games, having been host to Somerville, Billerica, Wilmington, St. Clements, and Concord. The girls have been guests at Malden, Reading, and St. Charles. Victory has been theirs at almost every game, and they should be congratulated on their fine achievement.

Co-Captains were Jean Morgan and Julia Petrillo.

## *Football Team*

First row, left to right: Manager, G. Proctor, R. McKee, G. Vasapolli, W. Clements, C. DiNardo, J. Courtney, J. Procopio, Capt. J. Menelley, M. Luise, R. Schenck, I. Giglio, E. J. Doherty, L. Harkins, R. Chester.

A. Richardson.

Not present: C. Foley.

The drum majorettes, led by winsome June Depper, attended all the football games and displayed their skill in twirling and graceful marching. The excellent performances in the pre-game exhibitions were enthusiastically received by the spectators.

The cheerleaders, a very energetic group of girls, backed the games with their unique cheers and overflowing school spirit.

The football team with Capt. James Menelley and All-Scholastic Stars Bill Heimlich and Bob Garvey, lost only three games during the season. This record is the most outstanding for the past several years. Heimlich is the first Woburn High School athlete to receive all scholastic honors since 1940.

Much of the credit for this year's success goes to Coach Dorrington, who has worked long and diligently with the team.

The schedule for the season with the resultant scores:

Sept. 20	Woburn 0	Dedham 12	Oct. 25	Watertown 20	Woburn 0
Sept. 27	Woburn 6	St. Clements 0	Nov. 1	Woburn 0	Concord 12

Second row: Mr. T. Higgins, Miss E. Bascom, Miss M. Hall, Miss Z. Ranney, L. Zurkan, M. McDonough, J. Sharpe, J. Whittie, J. Rice, C. Cennerazzo, Miss M. Morton, Mr. J. Connolly, Mr. H. Blake.

This year's "Reflector" Staff proved to be a very capable one. Cooperation and enthusiasm proved to be the keynotes of the organization and resulted in an excellent edition of the school magazine.

An innovation which was highly enjoyed by the faculty and the "Reflector" Staff, was the informal tea held in the Harlow Library. The purpose of the affair was an interchange of ideas concerning the publication and its future development.

Woburn High School Seniors again competed for the Pepsi-Cola scholarships which are awarded annually to several high school students throughout the nation. The competing seniors, voted by the class, took the examination in the school.

These awards are highly coveted because they grant the top winners tuition for four years at the college or university of their choice and they also include an ample monthly allowance and travel expenses.

The Girls' Badminton Club, under the direction of Miss Mildred Doherty, enjoyed a year of friendly intra-mural games played in a keen spirit of competition. The climax of the year's program was the tournament which was held in the gym.

## *Junior Predictions*

\*\*\*\*\*

We've kept a weather eye on you future seniors, and have come up with a few predictions. Remember them and see if they are right!

"Ree" and "Raw" Fowle will be still carrying off track and cross country honors.

Lorraine Whittemore will be the favorite of the senior class because of her sweet disposition.

Tucker Lawrence is sure to be getting in the teachers' hair.

Nancy Reynolds will be still plugging away on the piano with the orchestra.

Jay Courtney will make headlines on the Woburn High football team.

Josephine Shelzi is slated to have the lead in the class play. There is no finer actress.

"Spike" Boyle will still be the teachers' pet, no matter what they say against him.

Pat Knowles, our all-round athlete, will put the senior teachers through their paces.

"Sinky" MacLeod will be holding the title for not being where he should be when he should be.

Constance Depper will lead the drum majorettes in the footsteps of her sister, June.

"Sonny" Lisacki, an important cog in basketball, will also excel in football.

Marie Tedesco will be one of the most popular girls in the school.

Sorry! That's all we have room for. Let's see if you can get on the list for next year.

## To The Junior Class

\*\*\*\*\*

You're the Seniors now. Aren't you glad to see us go? As our last official act before we become the alumni of Woburn High, we, the present Seniors, leave a few words of parting advice.

Don't run on the way to the cafeteria. You'll undoubtedly get caught.

Only the elite stand a chance in the social 3:10 club, so we hope you don't apply for membership.

And those tops to your lockers — how about shutting them? We never did!

Don't break the pyrex test tubes in the chemistry laboratory. The smaller ones sound much nicer when they break, and aren't so expensive.

The chummy little groups in the corridor before school inform you of all the latest dirt — but beware of the teachers, they're "partout."

Humming is strictly "verboten" in many of the senior rooms, so save your musical talents for the Glee Club — or the Student Council Assemblies!

We have many little details to give to singular members of the class which cannot be addressed to the group as a whole, so we must close our little message now.

We hope you have as much fun as we did, but we hope you learn a little more.

## To The Sophomore Class

\*\*\*\*\*

You've led a pretty muddled life this past year, getting into the swing of Senior High. Your term tests have just begun, and we hope you haven't tasted too many "pink" cards yet. A lot of restrictions have been taken off this year, but many others have been added. The seniors have a pretty easy life, you think, with graduation, the senior dance, and all the "fixings;" but remember, we were the underdogs once. We battled the tests and extra sessions, the homework and the office slips, just as you are doing. Take school step by step, as we never did. Learn to do things as, and when, they should be done; and you won't be as mixed up as we were. Make the most of your school life, — and before you know it, you'll be seniors, too.

Good Luck!!

# *Appreciation*

\*\*\*\*\*

The Staff of the "Yearbook" takes this opportunity to express its sincere thanks to the many kind friends who have helped in any way to make this book such a success.

A publication of this type involves, as you all know, a tremendous amount of financial assistance and many hours of painstaking work. However, we feel that the undertaking has been well worth all the effort involved since we now have a record of our high school days which will grow more treasured as the years move on.

We owe especial gratitude to our patrons and patronesses, our advertisers (whom we hope you will patronize), Mr. Delaney, our printer, Warren Kay Valentine Studios, Mr. Bean, our principal, Mrs. Helen Gillespie, our office secretary, and our fellow students whose spirit and cooperation gave us the courage to achieve.

To Miss Margaret L. Burke, our faculty adviser, we owe the greater part of our success. Without the painstaking work and the hours of free time which she so willingly gave to us, we should never have been able to produce this volume of the "Innitou".
